CHECKLIST

Protecting Your Child from Loot Box Harm

- [ ] Find out which games your child plays and whether they include loot boxes.
- [ ] Set up approval requirements for all in-app purchases.
- [ ] Review transaction history with your child each month.
- [ ] Agree a spending limit together and explain why it matters.
- [ ] Watch for mood changes, secrecy or preoccupation with rare items.
- [ ] Block access to skin betting and gambling sites using parental controls.
- [ ] Keep the conversation open and return to it regularly without blame.
