CHECKLIST

Warning Signs Your Child May Be Gambling Online

- [ ] Check for unexplained cash withdrawals or missing money
- [ ] Observe increased secrecy around phone and computer use
- [ ] Notice mood swings or irritability without clear cause
- [ ] Look for withdrawal from hobbies, friends and family time
- [ ] Monitor changes in sleep patterns and personal care
- [ ] Review bank statements and app purchase history
- [ ] Listen for language from betting or gaming communities
- [ ] Watch for lying about online activity or where money went
